National Professional Science Master's Association (NPSMA) Announces National Advisory Board Members

(Worcester, MA, November 10, 2008): The National Professional Science Master's Association (NPSMA) announced today the formation of a national advisory board of accomplished business and academic leaders. Bogdan Vernescu, Ph.D., president of the NPSMA board of directors and head of Worcester Polytechnic Institute's Mathematical Sciences Department stated, "To further the connection between academia and business in support of the Professional Science Master's degree we are pleased to announce the members of the newly formed NPSMA National Advisory Board."

The advisors include:

John Baldoni, senior vice president, preclinical development, Glaxo-Smith-Kline

Dennis Berkey, president and CEO, Worcester Polytechnic Institute

William Fitzgerald, vice president, global operations, GE Aviation

Paul Gaffney, president, Monmouth University

Pam Gao, senior vice president, Putnam Investments

Carol Lynch, senior scholar in residence, Council of Graduate Schools

Ed Ray, president, Oregon State University

Susan Sloan, director GUIRR, The National Academies of Science

William Pulleyblank, vice president, IBM Business Consulting Services

Michael Teitelbaum, vice president, Alfred P. Sloan Foundation

Sheila Tobias, author and consultant, NPSMA academic liaison.
