3MP Competition Rules

The 3MP presenters will adhere to the following rules to format their presentation and present their information:

- ☒ 3 (three) minutes in length
- ☒ 3 (three slides, excluding the title slide)
- ☒ Flow of Presentation
 - ☒ Introduce the capstone project/internship
 - ☒ State your reason for choosing this project and initial goals either established by you and/or your internship/project site organization.
 - ☒ Provide background information on location/organization
 - ☒ Describe steps to complete the project/internship
 - ☒ Include final outcomes of the project in relationship to the goals established for the project
 - ☒ Share relevance of the final product to the field and/or organization
 - ☒ Connect at least one aspect of something you learned during your PSM Program to your capstone project.
- ☒ Information must be presented in a concise, engaging and lively format and content shared must match the slides as they automatically move forward. You must include three slides as part of your presentation and only spoken words are allowed (i.e., no song, interpretive dance, poetry, etc.)
- ☒ Each 3MP presentation will be videotaped and feedback will be provided. All participants will be required to agree to be videotaped and to media exposure for their presentation.
- ☒ Final Deadline for programs to submit required information using the attached proposal form (i.e., Student Name, Talk Title, etc.): **20 September 2021**. Students who are selected for this competition will be notified of their acceptance by **4 October 2021**. Final presentation slides and title of individual presentations must be submitted to coordinator@npsma.org no later than **October 31, 2021**.
- ☒ All competitors accepted to present at the NPSMA national meeting must agree to attend a practice session via video-conferencing during the last week of October. Presenters will receive information regarding the date and time of this meeting.
- ☒ Students should arrive by 10 am on November ☒ to the conference location (details to follow) to attend a noon meeting with the NPSMA 3MP team to review procedures for presenting their work.
- ☒ NPSMA will cover registration fees for individual presenters chosen to compete at this event. It is our hope that universities/PSM programs provide support for presenter's travel and lodging. We are working on obtaining sponsors to provide prizes for the top three presentations.

We look forward to hearing from your programs and receiving submissions on your wonderful students or recent graduates!

For more information or questions, please contact coordinator@npsma.org .

*This nomination form must be completed by the student who recently completed a PSM internship/capstone project and submitted by the PSM program director/coordinator. University **MUST** be an institutional member of the NPSMA. Email completed form by **20 September, 2021, midnight EST**, to coordinator@npsma.org.*

For more information please review the 3MP Information and Guidelines. Questions? Email coordinator@npsma.org.
